

# CHERITON GROVE CORPORATION

**Cheriton Grove Apartments  
20 Cheriton Road  
West Roxury, MA 02132  
617 325-1913**

## **Recycling Program**

This policy is hereby adopted this \_\_\_\_\_ day of February 2006, which addresses the means in which tenants and the Cheriton Grove Corporation (Corporation) stay in compliance with the City of Boston's Recycling Program for facilities larger than 6 units.

As a good corporate citizen and community leader, the Corporation has adopted this policy, which promotes easy individual participation, reduces waste, and helps the environment.

While this policy is approved by the Cheriton Grove Board of Directors authorized representatives, the House Committee, the implementation of this policy has been delegated to the property management company overseeing the day-to-day operations of Cheriton Grove Apartments.

Recycling is available at Cheriton Grove Apartments and is picked up once a week on Fridays. The large Recycling containers are located on the patio (or some other identified area) and clearly marked "Paper Recycling" and "Container Recycling".

Tenants are responsible for emptying their individual recycling bins on as needed basis into the large recycling containers.

The following items/materials can be emptied into the "Paper Recycling" container:

- Newspapers with inserts
- Magazines and Catalogues
- Junk mail
- White and colored paper
- Phone books, paper backs
- Flattened box board (Cereal, Frozen Food, Soda Boxes, etc)
- Milk and Juice Cartons
- Paper bags

***Please do not throw in Pizza boxes as they are too greasy.***

The following items/materials can be emptied into the "Container Recycling" container:

- Glass bottles, jars with the labels
- Tin, steel, aluminum food & soda cans
- Aluminum foil, pie plates, jar lids
- All plastic containers (Except chemical or Motor oil containers)

*Please - No broken glass, light bulbs, drinking glasses or glass from broken windows*

Quickly rinse out your containers before recycling them. Make sure to separate papers from containers, placing the items in the appropriate large containers. If you take your recyclables down to the bins in plastic bags, throw the bags away. We suggest you use paper bags and then recycle them after emptying the materials.

***NEVER PLACE PLASTIC BAGS OR TRASH IN YOUR RECYCLING BINS OR THE LARGE CONTAINERS!***

The Cheriton Grove Board of Directors or their authorized agents, the House Committee, may change or withdraw this policy at any time and without notice.

Policy Adopted by the Cheriton Grove House Committee:

June David  
David E. Hajjar – Chairman  
Steven Salhaney  
William Seaver

For the House Committee:
