JULY 2010 NEWS BULLETIN

Dear Members, Friends, and Supporters:

I hope you all are having a Happy and Healthy Summer!

Cheriton Heights Fully Funded – The Officers and Directors of AABA ecstatically announce that AABA has received the final piece of financing to commence construction. Ground breaking is planned for late summer/early fall, but we need your support!

Although HUD has awarded us funding, AABA needs to contribute two million dollars towards the development of Cheriton Heights to complete and furnish the Community Room, Main Lobby, Library, Technology Center, Gourmet Kitchen, Health Resources Center, 5 Common Area Lounges and our own permanent headquarter offices. *For information on named-gift opportunities, please call me at (617) 694-9783 or go to our web site www.aabausa.org.

WE NEED YOUR SUPPORT NOW more than ever before. AABA owns and operates the only HUD subsidized 202 senior housing in West Roxbury. Reflect on what AABA has done for our own Arabic senior population by providing safe and affordable/subsidized housing at our 60-unit Cheriton Grove. Let us join together and build Cheriton Heights – a senior housing complex so desperately needed.

You will soon receive information by mail regarding our Capital Fund Campaign outlining HOW YOU CAN HELP!

View our website at www.aabausa.org for detailed information on all upcoming events and how to become a member, community news and much more.

Sincerely yours,

Olivia A. Waishek
